

Press release

Change to WAREMA Executive Board

From the 1st of July 2019, Christian Steinberg will assume the role of Executive Vice President Global Market within the Warema Group, thus succeeding Harald Freund, Executive Vice President Sales, who will retire on the 31st of December 2019.

At the end of this year, Harald Freund will enter retirement after more than 47 years with Warema, and more than ten years on the Executive Board, six years of which were spent as the Executive Vice President Sales. On the 1st of July 2019, Christian Steinberg, former Managing Director of Hansgrohe Deutschland GmbH and Vice President Sales Central Europe, joined the Executive Board of Warema Renkhoff SE. He will work closely together with Harald Freund in the coming months. As the Executive Vice President Global Market, Christian Steinberg will continue to drive the Warema Group strategy in the Sun & Living Spaces division.

About the WAREMA Group

The Warema Group is made up of a strong network of brands divided into two divisions: Sun & Living Spaces and Plastics & Engineering. With their intelligent and individual solutions, as well as their future-oriented innovations, the Warema Group is the market leader in the sectors of sun shading and control systems, plastics engineering and mechanical engineering. The unifying goal of all Warema Group brands is to meet demanding customer needs. Shared values, utmost attention to quality, flexibility, and rapid decision-making processes are the keys to its success. The Warema Group originated with the Warema brand, founded by Hans Wilhelm Renkhoff, and remains family-owned to this day.
